EXPERIENCE

UX Designer

October 2024 – Present

MarthaEDU

Remote

- Redesigned an existing website to improve overall user experience, usability, clarity, and accessibility.
- Updated site content and visual design to align with improved UX goals.

UX/UI Designer and Front-End Developer

July 2026

New Creative Living (NCL)

- Designed and developed a real estate website, combining UI design and front-end development to create a clear, user-friendly experience.
- Applied user-centered design principles to simplify navigation and content for an older user demographic.
- Incorporated feedback and design input to refine the interface and make key information easier to find.

Project Lead / UX/UI Designer

May 2026 – Present

Tap In

- Lead a team of developers building Tap In, a music discussion and discovery application, serving as the primary and sole UI designer.
- Contribute to front-end and back-end development, collaborating with developers to translate designs into functional product features.
- Conduct user interviews and usability testing to identify user needs, uncover usability issues, and guide product decisions.
- Manage design direction, project priorities, and team collaboration while balancing user needs with technical constraints.
- Create user flows, interface designs, prototypes, and design systems to support a consistent user experience across the application.

Designer and Editor

January 2018 – Present

Freelance

- Designed digital assets for YouTube creators, including channel banners, thumbnails, and icons.
- Edited mid-length gaming and commentary videos to improve pacing and viewer engagement.
- Created song and album cover artwork for artists to visually represent their music.
- Executed Photoshop-based photo editing and image alteration projects based on client needs.

Church Staff

January 2016 – Present

All Nations Church NW

Kennesaw, GA

- Produced church media through recording, photography, and editing of sermons and events to support community engagement.
- Performed drums for church choir performances.
